Green Approved Products Certificate #00180

Products: AZEK Deck/Porch

Manufacturer: AZEK Building Products

The use of these products is approved to receive points to certification under the National Green Building Standard practices as noted below:

| PRACTICE # | PRACTICE DESCRIPTION | POTENTIAL POINTS AVAILABLE | ADDITIONAL CONDITIONS OF USE TO AWARD POINTS |
|------------|--|----------------------------|---|
| 601.7 | Building materials/assemblies do not require additional site applied material for finishing. 12 points max. awarded. | 2-5 | For 5 points, 90% or more of the installed porch planks or porch flooring must be this product. For 2 points, 50-90% of the installed porch planks or porch flooring must be this product. |
| 602.8 | Termite-resistant materials are used in portions of the building. | 2-6 | To earn two points, product is used in conjunction with other termite resistant materials for the first 2 feet of all the foundation, floor, and structural wall, wall cladding, and exterior deck components in zones with slight to moderate termite infestation. 4 points are awarded when used in conjunction with other termite resistant materials for the first 3 feet in moderate to heavy termite zones, and 6 points are awarded for use with other termite resistant materials for all of the foundation, floor, and structural wall, wall cladding, and exterior deck components in areas of very heavy termites. |
