# Green Approved Products Certificate #00179

**Products: AZEK Trim/Mouldings**

**Manufacturer: AZEK Building Products**

The use of these products is approved to receive points to certification under the National Green Building Standard practices as noted below:

| PRACTICE # | PRACTICE DESCRIPTION   | POTENTIAL POINTS AVAILABLE | ADDITIONAL CONDITIONS OF USE TO AWARD POINTS  |
|------------|--|----------------------------|---|
| 601.7      | Building materials/assemblies do not require additional site applied material for finishing. 12 points max. awarded. | 2-5                        | For 5 points, 90% or more of the installed exterior trim must be this product. For 2 points, 50-90% of the installed exterior trim must be this product.  |
| 602.8      | Termite-resistant materials are used in portions of the building.  | 2-6                        | To earn two points, product is used in conjunction with other termite resistant materials for the first 2 feet of all the foundation, floor, and structural wall, wall cladding, and exterior deck components in zones with slight to moderate termite infestation. 4 points are awarded when used in conjunction with other termite resistant materials for the first 3 feet in moderate to heavy termite zones, and 6 points are awarded for use with other termite resistant materials for all of the foundation, floor, and structural wall, wall cladding, and exterior deck components in areas of very heavy termites. |
