Abaco™ premium tropical hardwood decking features a contemporary European design with a traditional smooth finish on one side and an elegant moulded surface on the other.

Key Features and Benefits

- Tropical hardwood properties comparable to Ipe
- Kiln-dried random even lengths 8' to 20'
- Grooved for hidden fasteners or traditional S4S
- Two-sided surface: smooth and European moulded

Characteristics

- Fine-textured, straight, tight-grained
- Very hard, strong, durable
- Termite- and rot-resistant
- Long lasting natural product

Abaco's hidden fastener is designed specifically for tropical hardwood. The Abaco hidden fastener gaps each board with the proper spacing and allows for natural expansion and contraction.
